## Report Parameters

<b>Region:</b>	Include All Regions	<b>Program:</b>	Include all Programs
<b>Organization:</b>	Include all Agencies	<b>Program Type Code:</b>	Include all Program Type Codes
<b>Date Range:</b>	1/1/2013 - 12/31/2013		

## Report Description

Basic Logic:

Count: Head of Household Master ID

Program Types:

a. Rapid Re-housing = (Homelessness Prevention and Rapid Re-housing" plus Housing Status = "Literally Homeless"

b. Emergency Shelter = "Emergency Shelter"

c. Transitional Housing = "Transitional Housing"

Report Method:

a. Rapid Re-housing = at least one service within report period

b. Emergency Shelter = at least one service within report period

c. Transitional Housing = at least one day active in program within report period

All client data from program entry or exit snapshots

Rapid Re-housing	Emergency Shelter	Transitional Housing
------------------	-------------------	----------------------

Total Households Served	With only child(ren)	29	1054	256
	With only adult(s)	5221	19944	3763
	With both adult(s) and child(ren)	1806	3629	2742
	Total Households	7053	24581	6746

Basic Logic plus ProgramEndDate within report period

Total Households Exited	With only child(ren)	10	910	137
	With only adult(s)	2810	16459	1899
	With both adult(s) and child(ren)	1028	3032	1158
	Total Households	3846	20373	3193

Basic logic plus ProgramEndDate within report period and Destination like all "Rental" or all "Owned" or "PSH" or "Permanent with family/friends"

Exits to Stably Housed	With only child(ren)	6	404	42
	With only adult(s)	1645	1763	1020
	With both adult(s) and child(ren)	853	1030	844
	Total Households	2504	3196	1906
Rate of Exits to Stably Housed	With only child(ren)	60%	44%	31%
	With only adult(s)	59%	11%	54%
	With both adult(s) and child(ren)	83%	34%	73%
	Total Households	65%	16%	60%

Basic logic plus ProgramEndDate within report period and Destination like "Rental without subsidy" or "Owned without subsidy" or "Permanent with family/friends"

## Report Parameters

<b>Region:</b>	Include All Regions	<b>Program:</b>	Include all Programs
<b>Organization:</b>	Include all Agencies	<b>Program Type Code:</b>	Include all Program Type Codes
<b>Date Range:</b>	1/1/2013 - 12/31/2013		

*Exits with Earned Income:*

*Basic logic plus ProgramEndDate within report period and Income Source like "earned income".*

*Exits with Increased Overall Income:*

*Basic logic plus ProgramEndDate within report period and increase in total income amount from program entry snapshot to program exit snapshot.*

*Exits with Increased Earned Income:*

*Basic logic plus ProgramEndDate within report period and increase in total income amount from program entry snapshot to program exit snapshot where Income Source like "earned income".*

Exits with Earned Income	With only child(ren)	2		20
	With only adult(s)	380		340
	With both adult(s) and child(ren)	479		459
	Total Households	861		819
Rate of Exits with Earned Income	With only child(ren)	20%		15%
	With only adult(s)	14%		18%
	With both adult(s) and child(ren)	47%		40%
	Total Households	22%		26%
Exits with Increased Overall Income	With only child(ren)	2		15
	With only adult(s)	397		509
	With both adult(s) and child(ren)	238		486
	Total Households	637		1010
Rate of Exits with Increased Overall Income	With only child(ren)	20%		11%
	With only adult(s)	14%		27%
	With both adult(s) and child(ren)	23%		42%
	Total Households	17%		32%
Exits with Increased Earned Income	With only child(ren)	2		10
	With only adult(s)	98		206
	With both adult(s) and child(ren)	167		299
	Total Households	267		515
Rate of Exits with Increased Earned Income	With only child(ren)	20%		7%
	With only adult(s)	3%		11%
	With both adult(s) and child(ren)	16%		26%
	Total Households	7%		16%

## Report Parameters

<b>Region:</b>	Include All Regions	<b>Program:</b>	Include all Programs
<b>Organization:</b>	Include all Agencies	<b>Program Type Code:</b>	Include all Program Type Codes
<b>Date Range:</b>	1/1/2013 - 12/31/2013		

*Exited and Prior Living Situation was Unsheltered:*

*Basic logic plus ProgramEndDate within report period and prior living situation like "Place not meant for human habitation".*

*Exited and Prior Living Situation was Institutional:*

*Basic logic plus ProgramEndDate within report period and prior living situation like "jail" or "hospital" or "psychiatric facility" or "substance abuse treatment facility" or "foster care".*

<b>Exited and Prior Living Situation was Unsheltered</b>	With only child(ren)	2	65	3
	With only adult(s)	796	5193	202
	With both adult(s) and child(ren)	192	430	59
	Total Households	990	5685	264
<b>Rate of Exits where PLS was Unsheltered</b>	With only child(ren)	20%	7%	2%
	With only adult(s)	28%	32%	11%
	With both adult(s) and child(ren)	19%	14%	5%
	Total Households	26%	28%	8%
<b>Exited and Prior Living Situation was Institutional</b>	With only child(ren)	1	206	21
	With only adult(s)	202	808	236
	With both adult(s) and child(ren)	7	49	44
	Total Households	210	1063	301
<b>Rate of Exits where PLS was Institutional</b>	With only child(ren)	10%	23%	15%
	With only adult(s)	7%	5%	12%
	With both adult(s) and child(ren)	1%	2%	4%
	Total Households	5%	5%	9%

*Average days in this program for all exiting households:*

*Basic logic plus ProgramEndDate within report period and total number of days in exited application is averaged across all exited households, Excludes clients without personal identifiers in HMIS.*

*Average days in this program for households exiting to a stable destination:*

*Basic logic plus ProgramEndDate within report period and total number of days in exited application is averaged across all exited households where destination like "owned" or "rental" or "permanent", Excludes clients without personal identifiers in HMIS.*

*Average days in any temporary housing situation (ES or TH) for all exiting households:*

*Basic logic plus ProgramEndDate within report period and total number of days in any temporary housing situation (ES or TH) recorded in HMIS is averaged across all exited households, Excludes clients without personal identifiers in HMIS.*

*Average days in any temporary housing situation (ES or TH) for households exiting to a stable destination:*

*Basic logic plus ProgramEndDate within report period and total number of days in any temporary housing situation (ES or TH) recorded in HMIS is averaged across all exited households where destination like "owned" or "rental" or "permanent", Excludes clients without personal identifiers in HMIS.*

<b>Average days in this program for all exiting households</b>	With only child(ren)	105	24	185
	With only adult(s)	154	63	306
	With both adult(s) and child(ren)	112	53	449
	Total Households	143	60	353
